The main content area is white and contains the following text:

**Before You Begin to E-File Protest**  
**There is NO CHARGE for this service.**  
**Submitting a protest electronically does not change any deadlines for filing a timely protest. Deadline for all timely protests is May 15th or 30 days from the date of your appraisal notice.**  
If you received a notice, you have 30 days from the date of your notice or May 15th, whichever is later to submit your protest. If you do not receive a notice, you have until May 15th to submit your protest.

**You will not receive any correspondence through the US Postal Service.**  
You must accept to receive electronic communications from the CAD when submitting an electronic protest. The CAD will only contact you in regards to the acceptance and further status of your protest. The CAD will not give out your email address to any company and will not contact you other than to inform you of the status of your protest. Failure to accept electronic communications will result in the CAD's inability to communicate with you about your protest. The email sender will be [protest@epcad.org](mailto:protest@epcad.org). Unfortunately, this email is an automated notification, which is unable to receive replies. We're happy to help you with any questions or concerns you may have. Please contact us directly at (915) 780-2131.

**Typical timeframe for an Efile protest:**

- Create Protest: 30 to 60 mins to be in our system and show up on the website
- Upload Evidence: 30 to 60 mins after protest is in our system
- Protest Offer: 5 to 8 Days Typically (depending on workload this can take longer)

If it has been more than two weeks and you have not received an email response from the CAD, please check your spam/junk email folder. Sometimes emails from the CAD can be filtered by some email programs as spam/junk email. If you feel that you are not receiving emails from the CAD, please contact us.

**Log in to the website periodically to see if the status of your protest has changed, especially if you do not see any emails from the CAD.**  
It is your responsibility to check on the status of your protest. Do not wait until May 15th to inform the CAD of any problems or issues. The sooner you contact us the sooner we can determine how to assist you.

Using this online service DOES NOT CHANGE ANY DEADLINES for filing a timely protest with the Appraisal Review Board (ARB).

On the Protest Summary screen, head to the top left part of the screen. On the black navigation bar, click on Taxpayer Tools and select Appraisal Notices.

The screenshot displays the 'Protest Summary' interface. At the top, a black navigation bar contains 'EL PASO CAD', 'Profile', 'Taxpayer Tools', 'Contact', 'Log Out', 'Property Search', and 'Help'. The 'Taxpayer Tools' dropdown menu is open, showing 'Appraisal Notices' highlighted with a yellow box and a red arrow pointing to it. The main content area is titled 'Protest Summary' and includes a 'Protest List' header with an 'EFile' button. Below the header are tabs for 'Custom View', 'Protest View', and 'Evidence View', along with a 'Select Columns...' dropdown. There are also buttons for 'Settle Selected Properties', 'Withdraw Selected Properties', and 'Export Results for Selected Properties'. A filter section includes 'Filter By Property ID List:', 'Filter By Hearing Date - Begin: mm/dd/yyyy', 'End: mm/dd/yyyy', and a 'Search:' field. A table with 15 columns is shown, but it is empty, with the text 'No data available in table' centered below the header. The columns are: Property ID, Property Address, Protest ID, Year, Protest Status, Schedule Hearing, Hearing Date, Hearing Location, Beginning Value, Opinion Of Value, Final Value, Settlement Offer?, Offer Amount, Withdraw, and Property Search. At the bottom left, it says 'Showing 0 to 0 of 0 entries', and at the bottom right, there are 'Previous' and 'Next' navigation links.

You will be sent to the Appraisal Notice List screen. You will find a list of the properties that have an electronic Notice.

If your property does not appear on the list, two things might have happened:

1. Your account was not registered prior to the printing of the Notice of Appraised Value
2. Your property has not been released for a Notice of Appraised Value

The screenshot shows a web application interface for 'EL PASO CAD'. The top navigation bar includes links for Profile, Taxpayer Tools, Messages, Log Out, Property Search, and Help. The main content area is titled 'Appraisal Notice List' and contains a message explaining that the page lists appraisal notices linked to the user's account. Below the message is a table with one entry for a 2018 appraisal notice for 'PUBLIC JAMES' on property ID 639791, dated 04/05/2018. The table is highlighted with a yellow border.

**Do NOT Pay From This Notice**      **Total Estimated Tax: \$3,827.68**

The difference between the 2013 appraised value and the 2018 appraised value is 0.00%. This percentage information is required by Tax Code section 25.19(b-1).  
**The Texas Legislature does not set the amount of your local taxes. Your property tax burden is decided by your locally elected officials, and all inquiries concerning your taxes should be directed to those officials.**

\* If you qualified your home for a 65 and older or disabled person homestead exemption for school taxes, the school taxes on that home can't increase as long as you own and live in that home. The tax ceiling is the amount you pay in that year that you qualified for the 65 or older or disabled person exemption. The school taxes on your home may not go above the amount of the ceiling, unless you improve the home (other than normal repairs or maintenance).  
 The governing body of each taxing unit decides whether or not taxes on the property will increase. The appraisal district only determines the value of the property.
